**SUBJECT:** Physical Ability Test (PAT) Posting Announcement

Posting Date: August 13, 2018  
Internal and Internet Posting Version

Pursuant to Article XIV, Section 14.3 Posting of Vacancies and Bidding, of the Collective Bargaining Agreement and Article J – Seniority Plus Bid Transfer of the Sheriff’s Employment Action Manual, applications will be distributed for a Physical Ability Test (PAT) for eligibility into the Electronic Monitoring Unit and any Sheriff’s Cook County Department of Corrections unit requiring the PAT Test.

**Summary**
The Sheriff’s Office will conduct an annual PAT for eligibility into the Electronic Monitoring Unit and any Sheriff’s Cook County Department of Corrections unit requiring the PAT test. If an employee passes the PAT test, he or she will be considered to have met the PAT requirements for any of the units for a period of one year from the date of the PAT results. After one year, the PAT results expire. If an employee has not been selected for a unit within one year of the results of the PAT, and the eligibility list for the unit is still open after the PAT results have expired, then he or she will need to pass the PAT again prior to being selected for a unit.

The PAT must be passed prior to bidding to any of the units. This requirement will be verified prior to awarding the assignment.

**Selection Process**
Candidates that pass the PAT and meet the Minimum Qualifications relevant to the specific unit for which they are bidding for, will then be selected based upon seniority.

**Application Instructions**
Applications are available for pick up at the following location and on the Sheriff’s website [www.cookcountysheriff.org](http://www.cookcountysheriff.org) beginning Monday, August 13, 2018 through Friday, August 24, 2018, 7:00am–3:00pm, Monday – Friday:
